RE: In re RESIDENTIAL CAPITAL, LLC, et al.
U.S. Bankruptcy Court Southern District New York, Case No: 12-12020

TO THE IMMEDIATE ATTENTION: Honorable Judge Martin Glenn

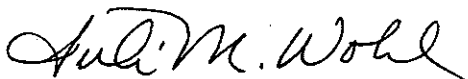

Your Honorable Judge Martin Glenn,

Please accept these last documents attached hereto to support the Notice (Doc. 10469) in objection to (Doc 10482) filed by ResCap Liquidating Trust and Perkins Coie joined by LNV Corporation (Doc 10485). We are four individuals giving notice of fraudulent activities to the court. We do not have electronic filing privileges which has made it more difficult for us to coordinate and file at a distance from different cities.

Thank you,

Catherine Gebhardt

Corrections to Sworn Declaration of Tuli Molina-Wohl

In Support of Doc. 10469

In Objection to (Doc 10482)

Filed by ResCap Liquidating Trust, Perkins Coie joined by LNV Corporation (Doc 10485)

Exhibits were not correctly labeled in my declaration

Dear Honorable Judge Martin Glenn:

I am so sorry but in the frantic hurry to complete my letter/declaration filed on Monday to meet that filing deadline (I was never served with Doc 10482 and Doc 10485 and didn't learn immediately of the extension the court gave us so there was very little time to for me to prepare) so I forgot to double check the labeling of my exhibits in the declaration after finally compiling the exhibit files. On page 4 of my declaration I correctly identified Exhibit 5 and Exhibit 6 in paragraph 1, but then I incorrectly in the second paragraph referred to what should have been Exhibit 7 & Exhibit 8 but I accidentally referred to them as Exhibit 5 and Exhibit 6 again. (The exhibits are correctly labeled with appropriate cover sheets in the attachments.) This caused the numbering of my exhibits to be off thereafter in my declaration until I accidentally on page 10 of my declaration correctly referred to the Tamara Kaiden Report as Exhibit 11, but accidentally created the exhibit in the attachments twice (duplication) with one copy labeled as Exhibit 10 and one as Exhibit 11. Thereafter beginning with Exhibit 12, the OMNI Report the exhibits are correctly referenced in my declaration.

I am so sorry for any inconvenience. It was an arduous task to pull our documents together because we do not all have the right software and some don't even have computers at home and we are spread across the county in three different time zones. I ask Your Honor to please understand the horrific limitation and burdens we have to work under (this is why a class counsel should be appointed to represent our interests). We don't intent to make mistakes like this, they happen when you're

inexperienced and not well physically. Below I provide an index of the exhibits to my declaration with the corrections in hopes this will make it easier to follow.

Respectfully Submitted,

Tuli Molina-Wohl
